

# First Time Homebuyer Budget

So, you're looking to get your first home! One of the most important things you can do before diving into the world of homeownership, is make a budget! We have put together a great starting spreadsheet to help you review your monthly income and expenses, and determine where you may be able to make adjustments with your spending, and to see how much you can afford to pay on a mortgage each month.

<i>My</i> Monthly Household Budget		
INCOME	BUDGET	ACTUAL
Salary 1 (Take Home Pay)		
Salary 2 (Take Home Pay)		
Other Income		
<b>TOTAL INCOME</b>		
FIXED COSTS	BUDGET	ACTUAL
Mortgage / Rent
